Jodie Comer in *Prima Facie*.

Prima Facie

JUNE 2-18, 2022
HAROLD PINTER THEATRE / LONDON / STAGE

Jodie Comer makes an explosive solo West End debut in *Prima Facie*, written by Suzie Miller, a former criminal defense lawyer. The BAFTA winner plays Tessa Ensler, a captivating, confident

barrister who specializes in sexual assault cases. Tessa's swaggering persona is shattered when a colleague rapes her on a date, forcing her to travel through the legal system as a victim. She endures physical harm, emotional trauma, and torturous questioning, meanwhile losing faith in a system that is not designed to protect her or bring justice to victims—a reality for the estimated one in three women who will experience sexual assault in their lifetime.
